

Uppingham in Rutland

A small market town dating back to the middle ages, Uppingham has retained much of its original charm and character. The weekly market on Friday and the monthly farmers' market are a traditional feature, blending with the local shops to create a unique atmosphere.

'Much in little' is Rutland's motto and Uppingham's attractions are all within a five minute walk of the Market Place.

Uppingham's unspoilt architecture provides an attractive setting for the galleries, bookshops and antique shops.
